*Kama Sutra Sex Positions* Riley Ashwood, 2021-02-13 55% OFF for Bookstores NOW at 34.97 instead of 43.97 Do you want to know everything about Kama sutra Your Customers Will Never Stop To Use This Amazing Guide In this book we'll explore the ideas of Kama Sutra and discover how it can re-connect you with one another through that invisible umbilical cord that mutually and continually feeds you and your relationship We'll find out how that existing connection can be the source of renewed sexual joy in your relationship how it can make the difference between a long term live in friendship and a vibrant life long sexual relationship between committed lovers and partners Being in a committed loving relationship always seem so easy and natural when we first set our feet on the path Hand in hand we walk into the future as a couple swept away in our love for one another believing that forever isn't such a long time in the company of the one we adore But life in a long term romantic relationship

isn't as easy as many of us have been led to believe. It's not just about the compromise, listening and understanding. Let's be honest and admit that it's also about the sex. Sexuality in a long-term relationship or marriage can dwindle over the years. If we have children, their arrival can change the nature of our sexuality. First and foremost is the inevitable transformation of our roles from life-long lovers to parents and guardians. There's also the stress of child-rearing. The baby who won't go to sleep. The dirty nappies. The shift of focus from each other to the new life that demands our care and attention. Some say sexuality between long-time partners can be re-ignited by spicing things up. Costumes, saucy talk and sex aids can come into play to perhaps make things more fun. But what's really at the basis of your love? What's really the true cornerstone of your relationship? Is there something deeper you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share? It can be hard to believe that your sex life can be improved and changed by words written in a text, but it can. In fact, improving your sex life can be done without help at all, but you need to know yourself 100% if you ever expect to please someone else inside and outside of the bedroom. There are so many ways in which each of us are pleased via sexually. Finding out what pleases each and every one of us is the difficult part. The Kama Sutra states that all of us can find pleasure and desire in one another, but only if certain factors are taken into account. This book covers: Is Sexual Compatibility important? Overcome sexual anxiety, shyness and insecurity. Turn a boring relationship into an exciting couple game. The Top sexual fantasies revealed. How to create the right intimacy. The best sex positions for couples. Increase sexual passion with dirty sexy games. Top foods to enhance stamina and libido in your sex. With this book, you will be able to identify and implement steps that will change the way you look at yourself, life and sex. You will feel born again with the willingness and want to change or start anew. Having a great sex life isn't just a fairytale or something you see in movies or pornography. A great sex life is achieved by hard work on your part and life-changing practices that are kept up with throughout your life. Nothing in life is easy, and this is no exception to that.
