Minnesota Board Of Medical Practice Legislative:

Report to the Legislature in Compliance with Minnesota Statutes Section 3D.06 (sunset Review). Minnesota Board of Medical Practice, 2012 **The Rhetoric of Midwifery** Mary M. Lay, 2000 What roles should midwives play within our healthcare system Must they have certified degrees and be under the jurisdiction of a professional board Do notions of gender create competition and erect barriers between the medical professions The Rhetoric of Midwifery offers new insights into understanding these questions within the context of our present day medical system As a point of departure Mary M Lay analyzes the public discussion over non academically trained or direct entry midwives within Minnesota From 1991 1995 that state held public hearings about the possible licensing of traditional midwives Lay focuses on these debates to examine the complex relationships of power knowledge and gender within the medical profession Lay examines the hearings and provides a framework for appreciating the significance of these debates She also details the history of midwifery highlighting ongoing concerns that have surfaced ever since the profession was created centuries ago In the remaining chapters she focuses on the key testimonies offered during the debates Capturing the actual testimony of midwives home birth parents nurses physicians and attorneys The Rhetoric of Midwifery reveals how the modern medical profession seeks to claim authority about birth Lay bolsters her argument by culling from such sources such as historical documents an internet discussion group and conversations with modern midwives As our medical healthcare system continues to undergo convulsive change The Rhetoric of Midwifery will continue to enlighten challenge and inform Minnesota Guidebook to State Agency Services ,2001 Lists information about Minnesota state agencies indicating who to see forms needed to obtain services advisory and financial assistance available fees charged and permits and licenses required *The Medical Standard* ,1901

Mainstreaming Midwives Robbie Davis-Floyd, Christine Barbara Johnson, 2012-12-06 Providing insights into midwifery a team of reputable contributors describe the development of nurse and direct entry midwifery in the United States including the creation of two new direct entry certifications the Certified Midwife and the Certified Professional Midwife and examine the history purposes complexities and the political strife that has characterized the evolution of midwifery in America Including detailed case studies the book looks at the efforts of direct entry midwives to achieve legalization and licensure in seven states New York Florida Michigan Iowa Virginia Colorado and Massachusetts with varying degrees of success
