**Journeys** Linda Burrell Hill, 1994      Finding Baseball's Next Clemente Roger Bruns, 2015-07-14 This book examines what it takes for Latino youngsters to beat the odds overcoming cultural and racial barriers and a corrupt recruitment system to play professional baseball in the United States Latin Americans now comprise nearly 30 percent of the players in Major League Baseball MLB This provocative work looks at how young Latinos are recruited and often exploited and at the cultural linguistic and racial challenges faced by those who do make it There are exposés of baseball camps where teens are encouraged to sacrifice education in favor of hitting and fielding drills and descriptions of fraud cases in which youngsters claim to be older than they are in order to sign contracts The book also documents the increasing use of steroids and other performance enhancing drugs by kids desperately trying to gain an edge In addition to discussing the hard road many Latinos follow to MLB the work also traces the fascinating history of baseball's introduction in Latin American countries in some cases more than a century ago Finally there are the stories of great Latino players of men like Roberto Clemente and Carlos Beltran who made it to the majors but also of men who were not so lucky Through their tales readers can share the dreams and expectations of young men who for better or worse believe in America's pastime as their gateway out of poverty

*Cultural Journeys* Pamela S. Gates, Dianne L. Hall Mark, 2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse *Cultural Journeys* introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K 8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly during their planning periods      **The Journey Home** Jorge Posada, Gary
