The diagram illustrates the relationship between the number of genes (n) and the number of genes (m) for different values of n and m . The diagram is organized into a grid with rows and columns labeled with numbers 1 through 10. The grid is divided into several sections, each containing a set of numbers. The top section is labeled n and the bottom section is labeled m . The numbers in the grid represent the number of genes in each section. The diagram is a visual representation of the relationship between n and m for different values of n and m .
