Judicial College Guidelines Whiplash:

Guidelines for the Assessment of General Damages in Personal Injury Cases Judicial College, 2024-03-06 The Guidelines for the Assessment of General Damages are designed to provide a clear and logical framework for the assessment of damages in personal injury cases The first edition of this title was regarded as a landmark in personal injury practice Each succeeding issue has built on this reputation and the book has now firmly established itself as essential reading for all those involved in the area of personal injury litigation This new edition has updated the award figures to take into account the rise in inflation The book also considers a small number of decisions concerning damages for sexual abuse including image based abuse since the previous edition This book is edited by a working party of the Judicial College under the chairmanship of The Hon Mrs Justice Lambert DBE The members of the working party are all lawyers and personal injury specialists Stuart McKechnie KC barrister Steven Snowden KC barrister Lisa Sullivan Master of the Queen s Bench Division and Richard Wilkinson barrister

Lunney & Oliphant's Tort Law Donal Nolan, Ken Oliphant, 2023 The seventh edition provides a complete authoritative guide to the subject The book combines clear overviews of the law with well chosen extracts from cases and materials supported by insightful commentary

Remedies The City Law School, 2020-08-20 Remedies ensures that trainee barristers can correctly identify remedial relief and calculate damages for their clients Combining explanations of substantive law with problems and worked examples trainee barristers are encouraged to apply their knowledge and find practical solutions to problems likely to be encountered in practice

2023 Ernst Karner, Barbara C. Steininger, 2024-12-16 The European Tort Law Yearbook provides a comprehensive overview of the latest developments in tort law in Europe It contains reports from the majority of European jurisdictions as well as a comparative analysis that identifies emerging trends Focusing on the year 2022 the authors critically assess important court decisions and new legislation and provide a literature overview

Remedies The City Law School, 2014-08-28 This manual is designed to help trainee barristers identify appropriate remedial relief for their clients and calculate damages where necessary

Damages and Compensation Culture Eoin Quill, Raymond J Friel, 2016-11-17 The focus of the essays in this book is on the relationship between compensation culture social values and tort damages for personal injuries A central concern of the public and political perception of personal injuries claims is the high cost of tort claims to society reflected in insurance premiums often accompanied by an assumption that tort law and practice is flawed and improperly raising such costs The aims of this collection are to first clarify the relationship between tort damages for personal injuries and the social values that the law seeks to reflect and to balance then to critically assess tort reforms including both proposals for reform and actual implemented reforms in light of how they advance or hinder those values Reforms of substantive and procedural law in respect of personal injury damages are analysed with perspectives from England and Wales Canada Australia Ireland and continental Europe The essays offer valuable insights to anyone interested in the reform of tort law or the tort process in respect of personal injuries
