definitive tome on the art of sexuality and a practical instruction manual in the art of lovemaking and sensuality This translation from the transkrit consists of practical advice on sexual intercourse It is largely in prose with many inserted anustubh poetry verses Kama means sensual or sexual pleasure and sutra literally means a thread or line that holds things together and more metaphorically refers to an aphorism or line rule formula or a collection of such aphorisms in the form of a manual Although written in a different century the Kama Sutra s advice on the techniques of pleasure are every bit as valid in today s modern age as it was in its own time Today s couples are re discovering the magic of the Kama Sutra and its wondrous techniques to celebrate their own sexuality in it s most natural and uninhibited form The Kama Sutra is the most advanced and sensuous of all the ancient texts on sexuality Playboy Magazine This volume of the interpretation of the Kama Sutra shows the unbridled power and timelessness of sex in its most potent and beautiful expression A highly recommended read Cosmopolitan Amazingly erotic and powerful Newsweek [Les Kama Sutra](#) , **The Kama Sutra** Vatsyayana Vatsyayana,2018-02-06 *Kamasutra With Ancient & Modern Illustrations* Vatsyayana,2016-04-06 Man should study the Kama Sutra and the arts and sciences subordinate thereto in addition to the study of the arts and sciences contained in Dharma and Artha Even young maids should study this Kama Sutra along with its arts and sciences before marriage and after it they should continue to do so with the consent of their husbands Here some learned men object and say that females not being allowed to study any science should not study the Kama Sutra But Vatsyayana is of opinion that this objection does not hold good for women already know the practice of Kama Sutra and that practice is derived from the Kama Shastra or the science of Kama itself Moreover it is not only in this but in many other cases that though the practice of a science is known to all only a few persons are acquainted with the rules and laws on which the science is based Thus the Yadvikas or sacrificers though ignorant of grammar make use of appropriate words when addressing the different Deities and do not know how these words are framed Again persons do the duties required of them on auspicious days which are fixed by astrology though they are not acquainted with the science of astrology In a like manner riders of horses and elephants train these animals without knowing the science of training animals but from practice only And similarly the people of the most distant provinces obey the laws of the kingdom from practice and because there is a king over them and without further reason 11 And from experience we find that some women such as daughters of princes and their ministers and public women are actually versed in the Kama Shastra *The Kama Sutra* Mallinaga Vatsyayana,2015-01-01 *The Kama Sutra of Vatsyayana* Vatsyayana Vatsyayana,2016-02-05 *The Kama Sutra of Vatsyayana* By Vatsyayana **The Kama Sutra of Vatsyayana** Richard F. Pinkney, None, 2002-10-18 Not many people know that the Kama Sutra was written as one of the holy books of Hinduism and  
was intended as a social code book instructing men and women in ancient India on appropriate behaviour throughout their  
lives Vatsyayana's Kama Sutra the third century treatise on sexual and social conduct has too often been  
misunderstood as a pornographic text Without desexualising Vatsyayana's text this unexpurgated version acknowledges the  
social and cultural importance of the Kama Sutra and its value as a historical document How should a man assess the degree  
of his love sickness What types of advances do women generally appreciate When is the right time to enlist a friend to plead  
your case with the woman you love Gathering together a wealth of previously unpublished material and unseen art this is the
