resulting in massive casualties for both sides Lee divided his army again sending Gen Thomas Stonewall Jackson's corps on a flanking maneuver that infamously resulted in the general's injury by friendly fire and eventual death Though the Confederate Army's victory was assured Lee equated the loss of Stonewall Jackson to the loss of his right hand and as many months later Lee would find his army in a tide turning defeat at the Battle of Gettysburg Decisions at Chancellorsville explores the critical decisions made by Confederate and Federal commanders during the campaign and how these decisions shaped its outcome Rather than offering a history of the operation Sarah Bierle hones in on a sequence of decisions made by commanders on both sides of the contest to provide a blueprint of the campaign at its tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from a knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour Decisions at Chancellorsville is an indispensable primer and readers looking for a concise introduction to the battles can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself Decisions at Chancellorsville is the twenty second in a series of books that explores the critical decisions of major campaigns and battles of the Civil War
