*The Game of Seduction: how to become a modern-day "Casanova" and take beautiful women to bed.* John Lougan, 2023-09-15 Have you ever wondered how the most confident and seductive men manage to attract women so easily? What makes a man irresistible in their eyes? Get ready to discover the secrets behind seduction and become a true master in the game of attraction. In *The Game of Seduction: how to become a modern Casanova and take beautiful women to bed* by John Lougan, you will learn how to develop true masculinity, self-confidence, charisma, and presence qualities that make any man irresistible to women. Written by one of the most influential Brazilian experts in seduction and social dynamics with over fifteen years of hands-on experience, *The Game of Seduction* delves into the deep roots of attraction from its origins spanning through Don Juan and Giacomo Casanova and reveals the principles used by the greatest modern masters of attraction known as Pickup Artists (PUAs) to attract beautiful women and stand out in life, social interactions, and careers. With a practical and direct approach, this book will teach you how to become an Alpha Male, invest in your personal and professional development, achieve financial independence, take care of your health, improve your self-image, body language, style, and even your tone of voice so you become the kind of man all women notice. You will master the art of interacting with women in any situation, whether at a party, a bar, or even on the phone, day or night. You will learn powerful strategies to create real connections and become a truly irresistible man. This book also includes references to experts on the topics covered, such as Giacomo Casanova, Robert Greene, Eric Weber, Stephen Covey, Maxwell Maltz, Dale Carnegie, James Clear, Neil Strauss, Tom Ford, Albert Mehrabian, Tony Robbins, Erik Von Markovik, among others. *The Game of Seduction* is not a book about conquest techniques; it's a true journey of personal transformation. With it, you'll become the kind of man who attracts, seduces, and keeps women in your life. Ready to master the game and make a turnaround in your love life? This book is your passport to real personal change. Transform into the powerful man you've always wanted to be and attract the women you've always desired. *Sizing People Up* Robin Dreeke, Cameron Stauth, 2020-01-21 A former FBI agent shares his simple but powerful toolkit for assessing who you can trust and who you can't. After two decades as a behavior analyst in the FBI, Robin Dreeke knows a thing or two about sizing people up. He's navigated complex situations that range from handling Russian spies to navigating the internal politics at the Bureau. Through that experience, he was forced to develop a knack for reading people, their intentions, their capabilities, their desires, and their fears. Dreeke's first book, *It's Not All About Me*, has become a cult favorite with readers seeking to build quick rapport with others. His last book, *The Code of Trust*, was about how to inspire trust in others as a leader. In *Sizing People Up*, Dreeke shares his simple six-step system that helps you predict anyone's future behavior based on their words, goals, patterns of action, and the situation at hand. Predicting the behavior of others is an urgent need for anyone whose work involves relationships with others, whether it's leading an organization, collaborating with

a teammate or closing a sale But predictability is not as simple as good and evil or truth and fiction Allies might make a promise with every intention of keeping it not realizing that they will be unable to do so due to some personal shortcoming And those seeking to thwart your endeavor may not realize how reliable their malevolent tells have become Dreeke s system is simple but powerful For instance a colleague might have a strong moral code but do they believe your relationship will be long term Even the most upstanding person can betray your trust if they don t see themselves tied to you or your desired result in the long term How can you determine whether someone has both the skill and will to do what they ve said they re going to do Behaviors as subtle as how they take notes will reveal their reliability Using this book as their manual readers will be able to quickly and easily determine who they can trust and who they can t who is likely to deliver on promises and who will disappoint and when a person is vested in your success vs when they are actively plotting your demise With this knowledge they can confidently embark on anything from a business venture to a romantic relationship to a covert operation without the stress of the unknown
