Michael Thomas, 2017-12-20 *Catalogue of Books in the Legislative Library of the Province of Ontario on November 1, 1912* Ontario. Legislative Library, 1913 **Michael Thomas Poetry 6** Michael Thomas, 2016-01-12 As an accountant Michael Thomas has had difficulty applying his great knowledge of history literature and art But in his poetry he is free to express his understandings in unbridled creative and playful ways This his most recent book of poetry is likely his most creative and playful as he becomes more versed and practiced every day Michael is blessed with an extensive vocabulary and the understanding of how to blend words to create effects which are more than the sum of the phrases like a jazz master plays a saxophone solo You cannot put what you heard into words you only know that it left you awed and satisfied when it was over Such is the sublime nature of high art in all of its varied forms In Michael Thomas Poetry 6 we have a collection that in totality reaches that sublimity a multitude of times leaving the reader many memorable experiences

author Michael Thomas first saw a picture of this fresco he was stricken with feelings of identification For him this picture was a wonderful representation of the divine so he has chosen to share it with his readers as a personal expression of divinity In his fifth volume of poetry Michael Thomas becomes more philosophical and begins to plum the depths of humanity looking for the goodness that he can attach himself to As readers we have the chance to attach ourselves to divinity through his words

Thomas Vaughan and the Rosicrucian Revival in Britain Thomas Willard,2022-09-19 The first scholarly book on Thomas Vaughan 1621 1666 draws from recent studies in Western esotericism to place his famously difficult writings in their proper context It shows that they develop themes from a distinctively Rosicrucian synthesis of alchemy magic and Christian cabala Vaughan introduced Rosicrucian documents to English readers and placed them in older philosophical contexts during the breakdown of censorship that followed the English Revolution against the old order in politics and religion Willard s book will appeal to students of early modern ideas about religion science and society as they were seen by an intelligent and eloquent outsider
