Karma Is Quantum Energy Dean Fraser,2015-01-18 Could it be that there is some arbitrary force at work controlling what happens in our lives A hidden mysterious power that ensures that we have to pass through certain experiences in order to grow as people Certainly this is how karma could possibly be perceived Patterns that just sort of happen Probably for us to grow we are just not sure how When I look back through my own life there are clearly obvious patterns ways of reacting in different situations that for a while at least became ingrained and pretty standard responses Sometimes however these emotional reactions can cause us to feel uncomfortable within ourselves Signs from within us that it is now time to react in a different way the current way no longer working

Karma Is Quantum Energy Dean Fraser,2015-09-28 What if it were possible for us to change the past Could we then go on to create a completely different future Is it possible to shape our own destiny and then life can take an entirely different direction This book aims to show that by living in the now and going through a process of healing our past our future can then be entirely in our own hands to create whatever reality we wish
