PS4 Adam Barnes, James Sheppard, 2014 Ps4 Madden NFL 25 Electronic Arts, 2024 **The 2017 New England Patriots Pass Game Manual** Bobby Peters, 2020-08-14

The New England Patriots boasted the most consistent offensive success over the past decade. Marked with exceptional decision making from their future hall of fame quarterback Tom Brady and brilliant play caller Josh McDaniels, the Patriots offense features more option routes than any other system I have studied to date. They give their receivers a tremendous amount of controlled freedom to get open both underneath and down the field. Brady's comfort level with the route concepts and system in general really pops on tape. How do the Patriots protect these option routes? They use a few unique concepts to take advantage of defenses' read to squeeze them. Play Action is a big part of the Patriots' early down success over the years. This book shows you how they do this without a mobile QB to get out of the pocket on Keepers/Naked's. Every coach and fan will enjoy this look into the greatest offensive system we have seen over the last decade.
