## VIDEO JOURNALS

### ACT 1

Click the link below to watch the video:

The footlocker warns Caesar to "beware the ides of March," but Caesar dismisses it as superstition. Think about a time when you or someone you know ignored a warning or piece of advice. What were the consequences of disregarding it, and what lessons, if any, were learned from the experience?

### ACT 2

Click the link below to watch the video:

In this act, the conspirators deliberate and plan Caesar's demise, driven by their belief that Caesar has amassed too much power. Similarly, in the clip from the film *Thirteen*, Gretchen compares Caesar to a band who is dominating their band group like a dictator. Do you think there are power dynamics at work here? Do you agree or disagree? Provide specific and clear examples.

### ACT 3

Click the link below to watch the video:

Antony's speech powerfully uses the art of persuasion by using strong words and emotion to influence the crowd to make the wrong decision as to whether or not Caesar was a tyrant. Do you think you are easily persuaded, or are you more of a free thinker? What makes you think that?

### ACT 5

Click the link below to watch the video:

Reflecting on the events of Act 5, particularly the Battle of Philippi and its aftermath, consider the following question: Is war ever justified? After watching the video, do you think war is part of our human nature? How do the events of the play support your opinion on these matters?
