Debus, 2014-11-21 Over centuries discoveries of fossil bones spawned legends of monsters such as giants and dragons As the field of earth sciences matured during the 19th century early fossilists gained understanding of prehistoric creatures such as Tyrannosaurus Triceratops and Stegosaurus This historical study examines how these genuine beasts morphed in the public imagination into mythical powerful engines of destruction and harbingers of cataclysm taking their place in popular culture film and literature as symbols of lost worlds where time stands still *Westwater Lost and Found* Mike Milligan, 2024-04-15 Westwater Lost and Found Expanded Edition is the continuing story of Westwater a relatively short deep canyon near the Utah Colorado state line that has become one of the most popular river running destinations in the Southwest and its lasting significance to the study of the Upper Colorado River Thousands of recreational river runners have pushed this backwater place into the foreground of modern popular culture in the West Westwater represents one common sequence in western history the late opening of unexplored territories the sporadic and ultimately often unsuccessful attempts to develop them their renewed obscurity when development doesn't succeed their attraction to a marginal society of dreamers and schemers and the modern rediscovery of them due to new cultural motives especially outdoor recreation which has brought many people into thousands of remote corners of the West This expanded edition brings to light historical events and explores how Westwater's location greatly contributed to early Grand Upper Colorado River boaters knowledge and how the lush Westwater Valley and Cisco became critical stops for water wood and grass along the North Branch of the Old Spanish Trail Other new additions include explorer Ellsworth Kolb's unpublished manuscript describing his 1916 1917 boating experiences on the Grand and Gunnison Rivers two stories relating to Outlaw Cave one of which expands upon the mystery of the outlaw brothers a letter from James E Miller to Frederick S Dellenbaugh in 1906 revealing new information about his boating excursion with Oro DeGarmo Babcock on the Grand River in 1897 and a portion of botanist Frederick Kreutzfeld's little known journal of 1853 that describes Captain John W Gunnison's railroad survey Loaded with extensive information and river running history Milligan's guide is sure to enhance readers knowledge of the Upper Colorado River and Grand Canyon regions Boaters river guides scholars of the American West and historians of the Colorado Green and Gunnison Rivers or the Old Spanish Trail will gain much from this new edition *History of Pettis County, Missouri* Mark A.
