Media Services Commercial Guide 2015

JR Anderson

Media Services Commercial Guide 2015:

Branded Content Jonathan Hardy, 2021-08-26 This is a critical study of the changing relationship between media and marketing communications in the digital age It examines the growth of content funded by brands including brands own media native advertising and the integration of branded content across film television journalism and publishing online mobile and social media This ambitious historical empirical and theoretical study examines industry practices policies and problems advancing a framework for analysis of communications governance Featuring examples from the UK US EU Asia and other regions it illustrates and explains industry practices forms and formats and their relationship with changing market conditions policies and regulation The book provides a wide ranging and incisive guide to contemporary advertising and media practices to different arguments and perspectives on these practices arising in industry policy and academic contexts and to the contribution made by critical scholarship past and present It also offers a critical review of industry regulatory societal and academic literatures Jonathan Hardy examines the erosion of the principle of separating advertising and media and calls for a new framework for distinguishing marketing communications across 21st century communications With a focus on key issues in industry policy and academic contexts this is essential reading for students of media industries advertising marketing and digital media

The Digital Markets Act Konstantina Bania, Damien Geradin, 2024-12-12 This book provides an in depth exploration of the Digital Markets Act DMA With an ensemble of contributors who have been involved in major antitrust cases that shaped the legislative text the book explains the rationale for the DMA introduces the reader to the digital services falling within its scope sets out the process for gatekeeper designation and provides insights into the interpretation issues and enforcement challenges that arise from the obligations it establishes Analysing the DMA in the broader legal and market context the chapters examine tensions between the DMA and other EU and national rules governing the conduct of online platforms compare the DMA to similar initiatives undertaken in other jurisdictions and bring perspectives from other disciplines such as data protection regulation A companion website reports on important developments in relation to the DMA such as the decisions designating tech giants as gatekeepers and subsequent litigation arising therefrom and provides links to analysis discussing the developments An authoritative treatment of the DMA is paired with an easy to follow writing style to make this comprehensive compendium essential reading for practitioners judges regulators and researchers working on matters relating to the digital economy

International Advertising Law Peter Schotthöfer, 2017-04-01 Most cross border advertising occurs uncontroversially However because international advertising activity falls under so many diverse areas of law some familiarity with the dense web of legislation regulation and case law that may effect its use is essential for all advertisers This well known book now in a fully updated third edition provides all the necessary information in an easy to use country by country format Twenty six country reports each by a local expert provide detailed information on the particular legal environment in each country vis vis advertising including specific effects

of all relevant treaties and trade agreements Among the issues and topics taken into account are the following effect of import restrictions on advertising use of price comparisons in advertising cold calling consumers right to dispute resolution blacklisted practices use of a language other than that of the target country special rules for agricultural products principles of non discrimination and equal treatment of nationals precautionary principle versus risk principle protection of trademarks false or deceptive indication of source product placement in non advertising communications respectful interaction with religious cultural and social values and when a statement may be deemed misleading Because the freedom to market a product simultaneously in several countries is a significant economic benefit the invaluable information and guidance in this book on what is legally possible in a broad range of countries will be enormously beneficial to firms in all fields that engage in the sale and marketing of products or services Corporate counsel and marketing directors will warmly welcome this new edition of a proven handbook
