Dictionary, 1973 *Africa Now*, 1983 California Spill Reporting Manual Charles F. Timms, 1996-05. This practical, easy-to-use manual cuts through the legalese surrounding spill reporting to provide guidance on potentially applicable requirements including both federal and California requirements and how to comply with them. You will get the necessary information you need on what a reportable substance is, what a reportable spill is, who must report, when the report must be made, what exceptions apply, what each report must contain, and how a report is to be made, including phone numbers and addresses. Appendices include statutory definitions and implementing regulations, lists of hazardous substances that trigger certain reporting requirements, required reporting forms, and agency addresses. **Federal Register**, 1960
