Understanding JCT Standard Building Contracts David Chappell, 2013-02-28 This ninth edition of David Chappell's bestselling guide has been revised to take into account changes made in 2011 to payment provisions and elsewhere. This remains the most concise guide available to the most commonly used JCT building contracts: Standard Building Contract with quantities 2011, SBC11 Intermediate Building Contract 2011, IC11 Intermediate Building Contract with contractor's design 2011, ICD11 Minor Works Building Contract 2011, MW11 Minor Works Building Contract with contractor's design 2011, MWD11 and Design and Build Contract 2011, DB11. Chappell avoids legal jargon but writes with authority and precision. Architects, quantity surveyors, contractors and students of these professions will find this a practical and affordable reference tool arranged by topic.

Understanding JCT Standard Building Contracts 8E David Chappell, 2007-02-12 This edition provides an expanded presentation of the most common forms of building contract: the Joint Contract Tribunal of JCT standard contracts. Architects, quantity surveyors and contractors and students should find this a straightforward and practical reference tool arranged by topic.

The JCT Standard Building Contract 2011 David Chappell, 2014-01-08 Books about construction contracts tend to be dense and wordy but what most architects, quantity surveyors, project managers, builders and employers are looking for is an easily navigable simple guide to using a contract written in plain language. The JCT Standard Building Contract 2011 is an uncomplicated book about a complex and commonly used contract. It straightforwardly and concisely sets out exactly what the contract requires in various circumstances as far as possible without legal jargon and without assuming any particular legal or contractual expertise from the reader. It explains often from first principles exactly what is meant by a contract and why certain clauses such as extension of time clauses or liquidated damages clauses are present and more importantly what they mean. The book is divided into many chapters each with many sub-headings to make it easy to read and to help readers to find relevant explanations quickly. Tables and flowcharts are used to ensure clarity and most chapters include a section dealing with common problems. Covers the recently issued JCT Standard Building Contract 2011. Straightforward, concise and as far as possible free of legal jargon. Sets out exactly what the contract requires in various circumstances. Includes many tables and flowcharts to ensure clarity.

Contract Documentation for Contractors Vincent Powell-Smith, John H. M. Sims, Christopher Lancaster, 2008-04-30 The JCT standard forms of building contract require a thorough understanding of their procedural requirements as well as their legal implications. They require both the contractor and the architect on behalf of the employer to send a wide range of notices and letters if each party is to protect its legitimate interests. The main contract forms are also supported by complex sub-contract documentation. Therefore it is not surprising that when this book of specimen letters, notices and forms was first published it was widely welcomed by the construction industry. The book provides examples of documentation likely to be required for a contract under the following

JCT forms the Standard Form of Building Contract the Intermediate Form of Building Contract the Agreement for Minor Building Works the Standard Form of Building Contract With Contractor's Design It includes a commentary on the practical implications of the various documents and highlights the points to be watched The new edition takes into account the wide range of amendments to the latest editions of the standard forms following the Housing Grants Construction and Regeneration Act 1996 and in particular the new payment and adjudication provisions For the first time it features documentation for use with the JCT design and build form

The JCT 05 Standard Building Sub-Contract Peter Barnes, 2008-04-15 Although the majority of construction work these days is carried out by sub contractors there are surprisingly few books dealing with building sub contracts and the related law This book provides a much welcomed guide to the new 2005 JCT Standard Building Sub Contract SBC Sub and SBC Sub D which is likely to be the regular sub contract form used by contractors when letting works under the radically revised 2005 JCT Standard Building Contract Peter Barnes who has over 30 years experience of contractor sub contractor relationships provides a clause by clause commentary on the sub contract highlighting practical issues and considering relevant case law The book will be of interest not only to sub contractors and main contractors but also to other construction professionals and lawyers who need an understanding of the contractual relationship and allocation of risk between contractors and sub contractors The Author Peter Barnes MSc Construction Law and Arbitration DipICarb FCIARB FCIARB MRICS is a Chartered Arbitrator a registered adjudicator and a CIARB trained mediator He has been actively involved in the construction industry for almost 30 years and has a wide experience of many types of construction work including building both new build and refurbishment civil engineering and mechanical and electrical installations He spent many years working for main contractors undertaking both surveying and management roles and during that time he has administered and settled a multitude of sub contract accounts on a variety of different contracts His experience with sub contracts covers both simple and complex contracts and has involved detailed examination of contractual entitlements His practical background has led to an in depth understanding of the allocation of risks in contractor sub contractor relationships Since becoming a consultant Peter Barnes has represented many parties in both adjudications and arbitrations has acted as an expert witness in respect of both liability and quantum and has been appointed as adjudicator by both the Chartered Institute of Arbitrators and the Construction Industry Council His wide experience base has led to him being appointed to the committees of the Chartered Institute of Building Eastern Branch the Chartered Institute of Arbitrators East Anglia Branch and the Institution of Civil Engineering Surveyors Anglia and Central Branch Also of Interest The Law Management of Building Subcontracts Second Edition John McGuinness 1 4051 6102 7 978 14051 6102 2 The JCT Intermediate Building Contracts Third Edition David Chappell 1 4051 4049 6 978 14051 4049 2 The JCT Minor Works Building Contracts 2005 Fourth Edition David Chappell 1 4051 5271 0 978 14051 5271 6 The NEC 3 Engineering and Construction Contract Second Edition Brian Eggleston 0 6320 5386 0 978 06320 5386 5 Building Contract
