Jean Jauregraves Et La Religion Du Socialisme Collegravege De Philosophie:

Jean Jaurès et la religion du socialisme Vincent Peillon, 2000-05-10 Jean Jaurès incarne lui seul le socialisme républicain le combat pour la paix et l'éloquence parlementaire Mais derrière cette imagerie officielle se dissimulent une œuvre majeure et une pensée philosophique dont la connaissance n'en finit pas de se vérifier Cet ouvrage tente d'en reconstituer la cohérence Car le socialisme de Jaurès était contrairement bien des idées reçues un individualisme et un spiritualisme deux raisons suffisantes pour heurter ses lecteurs marxistes ou libéraux Retrouver la philosophie jauréssienne cela revient donc mener le combat contre le collectivisme et contre le matérialisme Cette évidence devrait en surprendre plus d'un A cela s'ajoute le fait que pour Jaurès la révolution ne peut être réduite à un bouleversement économique La morale et la religion y ont leur part décisive Pour lui politique et mystique ne sont pas séparables Ce mouvement intellectuel vient ainsi nous rappeler que la chose publique ne saurait être assignée à une technologie du pouvoir aux mains des importants et des habiles Il lui faut au contraire s'enraciner dans l'existence et la fonder afin de lui donner un sens C'est cette condition qu'elle retrouvera la dignité et la légitimité qui lui sont aujourd'hui si fortement contestées D'où cet ouvrage dans lequel Vincent Peillon s'efforce en tant que philosophe et socialiste de raviver une pensée fondatrice et trahie

La question religieuse et le socialisme Jean Jaurès, 1959 **Jean Jaurès** Roger Benjamin, 2013-11-01 Qu'est-ce que l'humanisme et plus précisément l'humanisme personneliste Qu'est-ce que le socialisme républicain Comment le socialisme s'imposera-t-il Pour Jaurès l'homme est un créateur appelé à constituer une communauté de personnes vivifiées par la justice L'édification de la société socialiste apparaît comme la condition de cette avancée Le socialisme est une révolution morale et démocratique axée sur l'opposition à la classe capitaliste et orientée vers l'idéal républicain *Pages choisies ; philosophie, art et socialisme, l'éducation de peuple, l'avenir de l'humanité* Jean Jaurès, 1922

Etat et socialisme chez Jean Jaurès Bruno Antonini, 2004-11-01 Quel est le rôle de l'Etat dans la conversion de la République en socialisme dans la pensée et l'action de Jean Jaurès C'est dans cette conversion de la République bourgeoise que Jaurès tente de façonner une méthode socialiste réformatrice qui renouvelle la pratique politique révolutionnaire du prolétariat Il s'agit d'un ouvrage sur l'actualité des problèmes posés par Jaurès et sur la modernité de son approche touchant la question de l'Etat la question sociale et une réflexion sur l'action politique socialiste et les enjeux de la République **Philosophie et politique chez Jean Jaurès** Bruno Antonini, 2003 *Pages choisies* Jean Jaurès, 1922

Pages choisies: philosophie, art et socialisme, l'éducation du peuple, l'avenir de l'humanité, études et portraits historiques, le socialisme, l'internationale, la guerre et la paix Jean Jaurès, 1922 **Pages choisies** Jean Jaurès, 1922 *Idealisme et matérialisme dans la conception de l'histoire* Jean Jaurès, Paul Lafargue, 1895
