Multifactor Leadership Questionnaire Manual:

Multifactor Leadership Questionnaire Bruce J. Avolio, Bernard M. Bass, 2004 Multifactor Leadership Questionnaire, 2012 The Multifactor Leadership Questionnaire MLQ also known as MLQ 5X short or the standard MLQ measures a broad range of leadership types from passive leaders to leaders who give contingent rewards to followers to leaders who transform their followers into becoming leaders themselves The MLQ identifies the characteristics of a transformational leader and helps individuals discover how they measure up in their own eyes and in the eyes of those with whom they work Success can be measured through a retesting program to track changes in leadership style The program described in the MLQ Trainer's Guide provides a solid base for leadership training **MLQ Multifactor Leadership Questionnaire for Teams** Bernard M. in the context of the Communist Party's changing policies. The introductory section begins by studying the aspects of Chinese economic growth as it impacts on domestic social issues and the projection of Chinese power abroad. Within this overall framework it then goes on to critically assess the effects of foreign investment, business management strategies, human resource management, corporate social responsibility, and the financial services sector. Arguing that the encouragement of consumption is a significant objective of the Chinese leadership, the last section is concerned with the importance of the food industry. This book will be of interest to students and scholars of Chinese business management and international political economy as well as policymakers and business practitioners.
