Love Is Blind Nicole Jackson, 2016-05-31 Necole is your typical pretty suburban girl She has been sheltered her entire life and is bored with the normality of her world She's in her last year of high school and is college bound Her biggest challenges in life are deciding if she wants to wear her Gucci or Prada sandals to school She thinks she has a new love interest in Mark the new guy in school until she's thrown a curve ball The curve ball comes in the form of Carmelo aka Black Black is from the streets of Fifth Ward He and Necole have little to nothing in common but the two somehow find their way together Many times during their relationship there were signs telling Necole that he wasn't the one for her but she had never been one to deny what she felt in her heart It doesn't take long before Black's gangsta image interferes with Necole's squeaky clean life She and her mother become fast enemies and she relies on Black to save her from the hellacious atmosphere he helped her create Being young and naive isn't going to help Necole after she's torn away from life as she knows it and is tossed into the hood with the sharks She thinks that she's in love and no one can tell her differently That is until the facade fades and she sees how far off course she's really fallen with Black Still she finds it impossible to escape Black and his abusive ways She's blinded by love and has to find her way out

Harper's Magazine Henry Mills Alden,Thomas Bucklin Wells,Lee Foster Hartman,Frederick Lewis Allen,1915 **The Writings of Henry David Thoreau** Henry David Thoreau,1906 *The Permanent Elements of Religion* William Boyd Carpenter,1889 **The Turmoil** Booth Tarkington,1914 This novel is about how the artistic soul is sacrificed on the altar of big business Except in this case the artist willingly makes the sacrifice and has no regrets afterward Thus the novel can t be counted a tragedy John Sheridan lives by one mantra Bigger is better He owns the Sheridan Pump Works and is determined to make it an industrial giant He brings his two oldest sons into the business only to see them fail His youngest son Bibbs is sickly and dreams of becoming a writer But his father won t hear of it and puts him to work in the company too Surprisingly Bibbs thrives in this setting and pushes the company onto ever greater levels of success His fianc is appalled that he would go along with his father s wishes but Bibbs assures her he never would have made it as a writer and he made the right decision It s a surprising development one expects Bibbs to stand up to his father and declare his artistic endeavors more important But I think Tarkington is being realistic here and he is careful to develop Bibbs s character so that we can see him appreciate the usefulness his life takes on from the emptiness he d known before because of his illness Tarkington was not

afraid to praise big business though he also knew what to criticize about it too one thing he was quick to point out was how it spoiled natural beauty If John Sheridan could declare Wealth I will get wealth I will make Wealth I will sell Wealth for more Wealth his son Bibbs could remark on how his father had served business blindly while he Bibbs believed If man would let me business serve him I should be beautiful There is no irony intended in this just a statement of belief Bomojaz at Amazon com
