It has been suggested that the specific words and their relations with their predecessors and others are telling about their understandings of King's and Jefferson's beliefs. Subjects' beliefs about the relationship of Jefferson's and King's words to their own beliefs were measured by means of a semantic differential. Subjects were asked, "When you think about King's statement about nonviolent resistance, how much do you agree or disagree with the statement?" Subjects were asked to indicate their level of agreement or disagreement on a 5-point scale ranging from "strongly agree" to "strongly disagree." The mean scores for each item are shown in Table 1. The mean scores for each item are shown in Table 1. The mean scores for each item are shown in Table 1.

I think someone's feeling guilty for someone and for the situation. There's nothing for the person to feel or be responsible for. "I never wanted" or "I never thought about it" are not excuses for what happened. The person who did it should be held responsible. They are not responsible for the situation of a person's life.

“The first two daughters conceived the old man with great virginal purity, while others were full of that wild passion the country women have. In a dispute with their mother, and eager to keep their own little families from the mother's feud.”

Therefore, to be healthy, we must not only have the appropriate number of T-helper cells, but also the right balance of T-helper cell subtypes. The question arises: How can we maintain this balance?
