Master Slave Manual

James Comper Gray

Master Slave Manual:

Slave Scripture Norman McClelland, 2018-03-21 When a man or a woman decides to enter a relationship in which he or she surrenders his or her will to another person there is automatically the potential for exploitation and even abuse This can actually go both ways A major way of preventing one side from taking unfair and even dangerous advantage of the other side is to establish not just rules but also an elaborate code of behavior or protocol that specifies the exact rights of each party This is formally done with a master slave contract It may seem strange that a slave has rights but this is a voluntary enslavement which means this person continues to be safeguarded by the Thirteenth Amendment to the US Constitution 1865 which abolished involuntary servitude
