Maximum Attempts Question 1 Personal Finance:

An Engineer's Attempt to Explain Personal Finance William C Wheeler, 2017-03-23 Personal financial planning is often considered a complicated and unpleasant topic. It is ignored as long as possible until the reality of its hold on our life becomes relevant. Unfortunately by then it may be a rough journey ahead. Written by an engineer who has experienced many facets of financial challenges throughout his life, sustainable concepts are presented in an easy to read format for those who do not have extensive financial backgrounds. This book is intended for all those who work hard to earn a living. Those who are new to the workforce, those who have seen the recent ups and downs in the economy and retirement is on the future horizon and as those who are at the conclusion of their career and are planning to retire will all benefit from the information presented. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day to day lives. It answers the question Why does finance matter to ME? By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content and a broad range of support resources, *Principles of Managerial Finance* will continue to be the preferred choice for many introductory finance courses. Personal Finance Arthur J. Keown, 2001 New edition of a text that introduces the concepts, tools and applications of personal finance and investments. Keown, Virginia Polytechnic Institute and State U ties topics together through the use of basic principles or axioms in order to educate the student in the discipline of personal finance not just the procedures. The 18 chapters cover financial planning, managing money, insurance, protection, managing investments and retirement and estate planning. Includes a workbook. Annotation copyrighted by Book News Inc.
