

My Hobby Essay

Most people have their first love of the opposite gender. But I'm not one of them. My first love is my cycle. From my childhood I have loved cycling as it's my first love and my hobby.

My hobby has become an integral part of my life. Cycling is also a perfect solution for my fitness also.

My hobby allows me a lot of opportunities like keeping me in shape, exploring outdoors, and enjoying the beauty of nature.

Now let me tell you, share my experience of cycling the benefits of cycling as a hobby in detail.

The first major benefit of cycling is that it is a great form of cardio exercise. This workout is essential for our body joints, as in cycling you don't need to lift heavy weights. According to studies, heavy weight lifting in the wrong way can damage your body joints at great instances.

Another benefit of cycling as a hobby is exploring many adventurous and natural sceneries. On cycle I often go with friends and explore new parts of the city, which results in increasing our knowledge about the different routes of the city.
