Ascending Jacob's Ladder Book II in Ascending Jacob's Ladder Series This is to me one of the enjoyable books out of the three that I have been able to pen I feel like I have so much life left in me during much of this book I find also it tells me little things pertaining to the great advent that will take place within Utah Valley In one of the first dreams I also become aware of how the advisory gets into the heart of men and takes them down to the depths of the lake to consume at his will As I go through this work I find that there are events that are going to take place that I later by pure happenchance find the answer to while reading my scripture events that I have read several times but for some reason I was unable to see those events with the clarity that I know see them taking place You will also see that there is a dream that is called The Parable of being schooled I nearly named this entire series after that vary chapter because it taught to me that throughout all of the parables that are being written It is The Parable of being Schooled that most explained to me what was going on throughout this dreaming and interpreting process Then once again I decided to place into this work one of the same parables that I used in the first book of this series because I was directly told to pause for a time that is what I did I didn't begin again until I was once again told to move forward why this was I have no idea but like I have stated I am only the pen in this project nothing more Regardless I am happy to do so There are so many events that take place in these parables that astound me such as that of The Parable of The Baptism of Fire This took place just before we had Covid 19 hit us I found that this event was why I ended up moving into Spokane for only a year Halfway through that year was when Covid 19 hit us and all the pleasurable moments of having family over had to stop I have also found that the Lord was stretching me through these dreams and vision they from before the first book started out with just ten or so symbols As time progressed they had evolved into fifty and then into a hundred and fifty symbols that showed up during each dream I should probably save this tid bit for the third book but I was given one dream out of that book that carried over three hundred eighty symbols that dream took me well over two weeks to interpret As a little secret to let you know that in order for me to understand dreams in the manner they are to be understood that I have to go through a seven step process through which each dream is interpreted at which point I have to decide between three different forums of how to present each dream this is done by the spirit I would often have a dream and assume I understood it but until I put it through this process I truly had no idea of how the Lord made sense of the way I received the dream then to finally see how each dream evolved There is no way I could have put together these dreams and vision and had them present the understanding that exists without him being in control of this process I know if you are paying attention to the Spirit that you will find alternate meanings to each one of these parables when you review them I pray that you may gain more knowledge inspiration and wisdom as you read and travel through all of

these discoveries as I have     **Jacob's Ladder - Primary Source Edition** E. Jacob's Ladder Gilbert M. Martin,     **The Final Ascension of Jacob's Ladder** Mark Foster, 2021-03-30 The Final Ascension of Jacob s Ladder Book III in Ascending Jacob s Ladder Series The Final Ascension of Jacob s Ladder is the last book of this series It encompasses the last and final section of dream interpretations given It brings out how vital and essential it is to pay attention to the symbols of our dreamscapes Dreams and visions are several ways we receive answers to our questions that we place before the Savior in faith knowing that as we ask and seek he will show us the answer to the questions we have regarding the gospel of Jesus Christ and life s problems and solutions Through these final dreams and visions we can see that we are upwardly taught By being initiated with simple symbols of dreams into a complex system that aids us in understanding the Lord s mind You will find as you read these last and final parables containing the many metaphors and anecdotes that will cause your mind to ponder on the final climactic visionary ending These parables are meant for us to understand the complexities buried deep within the tropes presented before us Never doubt the wisdom and knowledge of the Lord for He will allow you to grow in degrees You should be aware that we mortals can only learn line upon line precept upon precept which means that when we read one sentence the meaning immediately becomes clear to us We are then given another sentence and the cycle goes on As we follow this process that single paragraph becomes clearer to us This process then allows us to understand paragraph after paragraph we can then move upward and onward until we understand the entire book During these times we learn the same way as our Savior which is grace upon grace However remember that for us mortals learning a single grace can take an entire lifetime to discover Never be discouraged by someone who learns faster This does not mean that they have been given more talents than you it means that each of our abilities are different and each of those capabilities are intended to be discovered on our own Enjoy each of the parables for there is great truth within them And remember that the last one is unforgettable in nature and wisdom Everyone on earth has a full and attended purpose pay heed to the spirit of prayer and fasting and you will discover yours     **Jacob's Ladder** John Hall, 1676     **Jacob's Ladder** ,     Jacob's Ladder Richard Hunt, Leon Forrest, Cal Kowal, 1981     Jacob's Ladder E.
