United Nations Publications, 2015 Over the 15 years since the countrys last National Human Development Report NHDR was  
published Ethiopia has undergone significant economic and social changes and has recorded some of the highest growth  
rates in the world over 10 per cent in some years However Ethiopias Human Development Index HDI and its relative ranking  
have not moved appreciably during the past decade Even though Ethiopia is one of the 10 countries globally that has attained  
the largest absolute gains in its HDI over the last several years it still ranks 173rd out of 186 countries in the latest UNDP  
Human Development Report It is this development challenge that underlines the fact that the preparation of the NHDR is so  
opportune now and why the focus of the report on inclusive growth for sustainable human development is so apposite In  
1998 when the last NHDR was written the development challenges facing the country were considerably different
