assess potential couples the worthiness of the submissive So it is that Adam finds himself standing alone before a gathering of the city's most powerful and sexually dominant men with only one task obey Lessons in Submission The First Trilogy follows Adam along the initial steps of his sexual adventure first at the hands of his partner then on the public stage of the Langston Society and finally into the house of discipline established by one of the society's most prestigious members who intrigued by Adam's charms makes a rare offer to train him personally over the course of a week Excerpt Slowly as though he could sense my impatience Jack's deep charcoal eyes turned towards me Adam he said simply I'm glad you could come Master I responded eager to try the new form of address He smiled You've heard that word have you Good We'll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already getting hard He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You've been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I'm usually such a patient man he went on sliding a finger within the neck of my shirt just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We'll put these clothes somewhere safe for the week I wouldn't want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight flush rose to my cheeks but I did not break eye contact My God he didn't beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine

Tanner, 2016-02-23 GAY BDSM EROTICA Lucas Devero is 25 years old and living in San Francisco with everything going for him: hot tech job, sick car, killer body, and all the college boys he wants. More Than a Friend Chris Johns, 2014-08-02 A strap was secured over him at chest level, his legs were spread, and each ankle was locked into restraints. Matthew has brought his pop to shame by indulging in illegal activities, ruining not just himself but his kin. This catches the attention of his pop's boss, who then arranges for Matthew to be straightened out. Not knowing what to expect, Matthew acts out, demanding to be released. But when he meets Sky, everything in him softens, and he feels himself falling for the man who was tasked to make him a man. Sky never thought that he would like such a disrespectful boy, but as time passes, he finds a soft spot for him. One he must hide until the boy finishes his test. Problems were guaranteed to get between the two of them, starting with Sky's habit of punishing the living daylights out of Matthew, and Matthew denying his feelings for the dominant Sky. Will Matthew ever pass his test to become a man, or will the man he seems to love forever hurt him? Sample: "I'm sorry, Master. I didn't intend to be rude. I don't believe you, boy. You need to learn respect." With Alexander bringing up the rear, the three of them retired to a room in the house Matt had not previously seen. He didn't like the view at all. Sky threw him a towel. "Speedos off and dry yourself." The two men stood, arms folded, watching the boy once again naked, drying himself. As soon as he was finished, Alexander moved in and fitted a collar round his neck and two padded cuffs to his wrists. A short chain on each cuff was clipped onto rings on the collar, so that effectively Matt was defenseless. He was walked across the room to a bench at about waist height and bent over it. A strap was secured over him at chest level, his legs were spread, and each ankle was locked into restraints, set at the end of a four foot bar attached to the base of the bench. Now completely immobilised, Matt was very frightened. "Thank you, Alexander. You can leave us now. I will call you when you are needed to take this object back to his room." As soon as the door closed, Sky addressed Matt. "What I am going to do now, I hope will be seared into your brain, boy, because I want to get your body fit very quickly, and that will not be possible if you are bruised and sore all the time. When Alexander returns, you will be of no use to me for maybe as long as a week. If I have to punish you again, that time span will double. You have to learn respect for your elders and your betters, Matt, or you are going to be severely damaged goods." *Kiss of Leather: Building Bonds* Morticia
