Mike Laquatra,1983 **Last Christmas** TJ Lee, It all started with a party My 19th to be exact My twin brother or rather his
girlfriend planned and decorated I overheard them make a bet concerning me and the game Seven Minutes in Heaven My
brother bet I would just sit there and talk to the guy His girl bet I would kiss him They both thought they were slick putting
our older brother s best friend in there with me He s in med school He s responsible He s practically family To get back at my
twin Noah agreed to kiss me Only it wasn t what either of us expected That one kiss led to a lot more While he and I were
discovering something that had been right in front of us all along darkness was hanging over our family Too many secrets
have been kept Some more important than others Last Christmas broke my heart But I had Noah there to stitch it back
together **Last Christmas** John Bibee,1990-07-01 With the ORDER party taking over the whole town of Centerville things

Seasonal who Dunnit Story Maria Frankland,2021-08-02 Wow this is quite the story this author knows how to keep you
entranced Page after page you hold your breath always wondering what next Christmas can be the darkest and most
dangerous time of all Things can t get much worse for Neil He s already losing the fight with drinking and depression and
has also lost the argument for where he and his wife Sacha are going to spend Christmas this year Due to illness it s going to
be Sacha s father s last Christmas and her mother wants the family all together This includes Neil s two brothers in law and
there s no love lost between any of them or between Sacha and one of her two sisters Three days in a confined space and an
excess of alcohol intensifies several long held resentments within the family Being in one another s company is intolerable
and it s apparent that Sacha s father might not be the only family member celebrating his final Christmas With book club
questions at the back of the book Find out what readers are saying about Last Christmas If you want to get to bed on time do
not make this your bedtime reading This book had me reading and reading and reading I got the ending so so wrong I would
ve never have guessed for it to turn out the way it did A very captivating story line There was enough suspense to keep me
intrigued and there was a lovely unexpected little twist at the very end My first book by Maria Frankland but it certainly won
t be my last **One Last Christmas** Paul Boon,1999
