Arny,2000-06 **Nuclear Science and Engineering** ,1961 **SAP HR TIME MANAGEMENT** P. K. AGRAWAL,2010-08-17 This book explains all the concepts underpinning SAP s HR Time Management Module It is a comprehensive technical manual which explains every single node of the User Menu and the Configuration The book first gives an overview of a concept explaining what it is how it is used and how it relates to the other concepts It then explains its properties which are fields in a configuration node This book is designed to be used both as a reference manual and a learning guide As a learning guide it offers four views each for a different target audience It can be read from the Senior Management s perspective to gain a broad understanding of the subject and what SAP can do for them Business Process Owners can achieve a higher level of understanding by getting to know more of SAP concepts and how to perform different tasks in SAP Users can acquire a thorough understanding of different tasks and concepts underlying them Functional consultants and proficient users can read the book to gain a complete understanding of the system As a technical reference the book can be used to locate the relevant material through the Table of Contents Index SAP Menu and SAP Customizing Implementation Guide IMG The last two follow the Table of Contents If the reader is in SAP s User Menu or Configuration the chapter number for these nodes can be found in SAP Menu and IMG If a node is not covered in the book the reason for not doing so is mentioned The implementation of SAP HR Time Management and documentation can also be guided by the structure of this book A BETTER WORLD There is a lot we can do to make our world a better world just as we discover better ways to support our businesses Read short articles inside on some of the ideas of World Integration and Improvement Initiative World Government 691 World Language 693 Good Governance 699 City without Traffic Lights 705 SAP is a great software One needs to fully understand its features in order to effectively exploit them for the benefit of customers Mr Agrawal s books on SAP HR have a unique approach A chapter usually focuses on a single business concept and discusses the user interface as well as its associated configuration This logical division makes it easier for readers to understand the

functionality Another important feature of these books is the level of detail Each screen and each field in a screen is explained Explanation includes meaning use case and in some cases guidelines Details are balanced by overviews explaining the concepts and their relationships While explaining functionality Mr Agrawal has taken efforts to highlight what can be done and how it is to be done This is particularly important for less experienced users and consultants Indicating chapter numbers against each menu and configuration item is a very useful innovation as it establishes direct link between the SAP system and the book Another useful feature is that these books can be read not only by consultants but also by users business process owners and even by senior managers The importance of each topic for each category of users is specified Mr Agrawal has taken considerable pain in writing these books and I congratulate Mr Agrawal on his achievement and thank him for his contribution to the SAP community K Sanjai Regional Head Asia Pacific Japan SAP Global Delivery Time Management with SAP ERP HCM Brian Schaer,2009 Learn how to optimize the planning and administration of your employees working times and activities using SAP ERP HCM Time Management This detailed reference will teach you everything you need for understanding implementing and configuring Time Management Beginning with an overview the book progresses through the basics of implementation including what is important during the blueprinting stage and how to integrate Time Management with other components From there it moves on to cover the segments of Time Management configuration and customization that an implementer will follow It also includes design considerations on how to use each infotype and which infotypes are required based on particular decisions In addition the book offers insight into how to configure the particular components and how the items of the configuration fit together The book concludes with a chapter on more advanced topics including incentive wages concurrent employment web applications and security and authorizations

Sap Hr Personnel Administration and Recruitment : Technical Reference and Learning Guide Agrawal P. K.,2010-12-30 SAP is a great software but you need to fully understand its features in order to effectively exploit them for the benefit of customers Mr Agrawal s books on SAP HR have a unique approach A chapter focuses on a single business concept and discusses the user interface as well as its associated configuration Each screen and each field in a screen is explained Explanation includes meaning use case and in some cases guidelines Details are balanced by overviews explaining the concepts and their relationships *SAP ERP HCM Performance Management* Jeremy Masters,Christos Kotsakis,2008 Finding and retaining talented employees is critical to every organization s success But do you have an effective process for managing employee performance Are strategic initiatives being met or even tracked If you re an SAP HCM professional analyst or consultant interested in managing employee performance this indispensable book will help answer these questions Using the practical information and best practices provided you ll discover new methods for process improvement and you ll find detailed guidance on designing building and deploying an effective strategy The book is composed of two parts Overview and Process and System Functionality and Implementation which provides both functional and technical insight based on real

world implementation experience Special attention is given to explaining the common deployment pain points and the mitigation steps to alleviate these issues The book covers the latest releases including the R 3 Enterprise Release 4 7 SAP ERP 2004 ECC 5 0 and SAP ERP 2005 ECC 6 0 Highlights Include Corporate Strategy Goals versus Objectives Development Planning Objective Setting and Appraisal OSA module Appraisal Catalog Transaction PHAP_CATALOG Security Authorizations Business Add Ins BAdIs Reporting Business Intelligence SAP Netweaver Integration including iView configurationForeword by Vincent StabileSenior Vice President of PeopleJetBlue Airways **SAP HCM - A Complete Tutorial** Ganesh Karthik S,2014-06-25 This book is a simple tutorial guide with practical issues and their solutions aimed at enabling readers to implement the various features of the SAP HCM module If you are familiar with ERP products and would like to leverage knowledge and fine tune your configuration skills then this book is for you This book is aimed at readers who want to learn about SAP HCM and its most popular functionalities
