

My Transit Manager USER GUIDE

My Transit Manager is a smartphone app that enables paratransit users to monitor the status of their trips in real time. My Transit Manager also provides the ability to see where the user's bus is on a map, automatically receive notifications, email, text, and/or voice alerts when their bus is about to arrive, if it is running late, and even if it's waiting outside their door. My Transit Manager can also be configured to inform family members or caretakers of the same trip status and monitor the trip from pickup to destination.
