English Language Arts, Grade 8 Module 2 PCG Education, 2015-10-29 Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Developing Core Literacy Proficiencies, Grade 8 Odell Education, 2016-08-09 The Developing Core Literacy Proficiencies program is an integrated set of English Language Arts Literacy units spanning grades 6-12 that provide student-centered instruction on a set of literacy proficiencies at the heart of the Common Core State Standards: CCSS Reading Closely for Textual Details, Making Evidence-Based Claims, Making Evidence-Based Claims about Literary Technique, Grades 9-12 Researching to Deepen Understanding, Building Evidence-Based Arguments. The program approaches literacy through the development of knowledge, literacy skills, and academic habits. Throughout the activities, students develop their literacy along these three paths in an integrated, engaging, and empowering way. Knowledge: The texts and topics students encounter in the program have been carefully selected to expose them to rich and varied ideas and perspectives of cultural significance. These texts not only equip students with key ideas for participating knowledgeably in the important discussions of our time but also contain the complexity of expression necessary for developing college and career-ready literacy skills. Literacy Skills: The program articulates and

targets instruction and assessment on twenty CCSS aligned literacy skills ranging from making inferences to reflecting critically. Students focus on this set of twenty skills throughout the year and program continually applying them in new and more sophisticated ways.

Academic Habits The program articulates twelve academic habits for students to develop, apply, and extend as they progress through the sequence of instruction. Instructional notes allow teachers to introduce and discuss academic habits such as preparing and completing tasks that are essential to students' success in the classroom. The program materials include a comprehensive set of instructional sequences, teacher notes, handouts, assessments, rubrics, and graphic organizers designed to support students with a diversity of educational experiences and needs. The integrated assessment system centered around the literacy skills and academic habits allows for the coherent evaluation of student literacy development over the course of the year and vertically across all grade levels.

Your Curriculum Companion: Libby Woodfin, Suzanne Nathan Plaut, Sarah Boddy Norris, 2021-02-01. This essential guide to the EL Education 6-8 Language Arts Curriculum is one part roadmap to the curriculum, one part orientation to its instructional practices, and one part coach to answer your questions, relieve your stress, and put you and your students on the path to success. Your Curriculum Companion explores the foundations of the curriculum, including the principles and research it was built on, and the instructional practices that make it unique. The book is designed to help you look under the hood at practices embedded throughout the curriculum so that you can sharpen your instruction, support students to be leaders of their own learning, and make well-informed changes to best meet your students' needs. Key features of Your Curriculum Companion include: Twenty-two accompanying videos see the curriculum in action; Task cards for guidance on how to plan when the planning has been done for you; A deep dive into the purpose and structure of close reading, including a sample annotated lesson; An exploration of the relationship between reading and writing and how the curriculum is designed to help students become strong communicators, including an annotated read-think-talk-write lesson; The why, what, and how of supporting students to meet grade-level expectations, supporting students who need additional challenges, and supporting English language learners; Guidance for turning evidence of student progress into usable data that can inform your instruction; Support for school leaders.

Assessment Literacy Thomas DeVere Wolsey, Susan Lenski, Dana L. Grisham, 2020-01-21. This clear, no-nonsense book guides current and future teachers through the concepts, tools, methods, and goals of classroom literacy assessment. The expert authors examine the roles of formative, summative, and benchmark assessments, demystify state and national tests and standards, and show how assessment can seamlessly inform instruction. Strategies for evaluating, choosing, and interpreting assessments are discussed, as are ways to communicate data to parents and administrators. User-friendly resources include boxed vignettes from teachers and researchers, practical assessment tips and traps to avoid, and 12 reproducible planning forms and handouts. Purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2 x 11 size.
