DIY Programming and Book Displays Amanda Catherine Struckmeyer,Svetha Hetzler,2010-09-13 This manual guides librarians in creating simple affordable ready to use activities for children tweens teens and families with enough material for a full year of programs Do it yourself programming is an emerging model in which the librarian does the preparation then lets patrons take over DIY Programming and Book Displays How to Stretch Your Programming without Stretching Your Budget and Staff makes it easy for librarians to institute such programs in their own facilities Organized around 12 thematic chapters the book explains how to set up and

maintain a do it yourself station and offers instructions for a variety of year activities Reproducible materials and booklists are included as well Librarians may use the activities as starting points for generating their own ideas or they may simply photocopy materials in the book for ready to use monthly DIY programming Once set up the DIY station is available to patrons anytime they are in the library Best of all because DIY programs do not rely on staff space or special materials they allow libraries to make the most of their resources without sacrificing patron service *Close Writing* Paula

Bourque,2023-10-10 How closely do your students read their writing What are the implications for those who do and those who don t During her work in classrooms literacy coach Paula Bourque noticed that students who read their own writing closely are engaged in their work write fluently are able to produce lengthy drafts and incorporate teaching points from mini lessons into the day s writing In this comprehensive book Paula shows you that no matter what structures or lessons you use in your writing classroom the strategies in *Close Writing* will help you make these better by creating student writers who are more aware of what effective writing looks like who care about what they write and who take ownership and responsibility for their growth as writers Paula argues that a key element in close writing is learning to look and looking to learn by closely reading our own writing Instead of focusing on the mechanics of their writing she encourages students to read their words for understanding clarity and the effect they will have on an audience She urges them to recognize their habits and their approaches to writing and to build upon them *Close Writing* is based on research and methods that are reliable and valid best practices but it will not prescribe lessons or structures It gives you a peek inside classrooms where teachers just like you are working with budding authors just like yours Paula also provides considerations for ELL writers as well as a section of interviews with authors She shares an extensive reference resource guide and a companion website with students work samples reproducibles and templates and videos of classroom writing lessons round out this must have resource *Book*
