Villella,Patricia Gins,1974 **No More Green Chili** Albert Quintana,2011-04-28 Not to brag but I truly believe that my Mother is the best cook in the world Bar none she has a great heart when it comes to making her best cuisine Her specialty is green chili In Spanish it s pronounced chile verde This homemade chili verde could be the main dish eaten at any given meal but add a homemade tortilla and a side of frioles beans or a side of fried potatoes or maybe mashed it was a meal to die for One of my favorite dishes was smothered bean burritos So anything you added to the green chili was always a feast The process of making the best dish in world

comes quite simply by getting a pound of pork butt and cutting it into small one half inch squares Then fry the squares until they are golden brown Using the grease from the fried pork you then brown the flour to make the gravy add your green chili preferably jalapenos diced tomatoes Mexican oregano cominos garlic salt and of course salt and pepper I can t give it all away because then it would be giving away an old family recipe and that would be taboo Making great meals is a learned thing By this I mean that Mom learned to make green chili from a Mexican woman from Guanajuato Mexico back in 1960 This is the year that Mom and Dad started a Mexican restaurant business in Denver The restaurant was called Quintana Roo Whoever ate her chili always would craved for more The neighboring kids would always hang around to see if Mom would roll them a quick burrito and then they would walk away with the biggest smiles In 1927 Great Grandfather Francisco Duran visited Henry Manuelita and the kids prior to Mom s birth He shared with them a story about a humongous garden that was full of green chili Within this garden the chili was thriving growing in abundance Then one day the chili started dying off The garden was over taken with weeds and eventually became nonexistent The metaphor here is that Grandpa Francisco equated the garden to our nation and the people who work as the chili When you take the chili out of the garden then your garden is dead When you take the worker laborer bracero miner gardener lumber jack out of our nation you have nation that is dying Who built the Great pyramids The Panama Canal the Empire State Building Hoover Dam and that Golden Gate Bridge Yes you ve guessed it the Chili Verde of our society Have fun reading this book The stories are real and only reflect a part of your history We all need a little chili verde in our lives so enjoy its flavor May it be hot medium or mild
