Toklas an expat in Paris and then into the pages of a cookbook published in New York and London leading to a major mix up in a major motion picture that morphed majoun into the pot brownie and turned the pot brownie into a Western icon forevermore From the rowdy band of artists rebels and intellectuals who partook of majoun's charms and to an activist who made the pot brownie a symbol of compassion it's the story of how cannabis cookery and hash eating survived through decades of global prohibition and the birth of a skies the limit cannabis infused food industry Along the way Robyn Griggs Lawrence explores the medicinal qualities of cannabis and its resurgence as a both a recreational drug and a respite from various illnesses and ailments With recipes and stories throughout this work is sure to entertain and inform readers about the history of cannabis as an edible ingredient in a variety of foods
