Elizabeth Cleghorn Gaskell, 2018-05-02 *Mary Barton* is the first novel by English author Elizabeth Gaskell published in 1848. The story is set in the English city of Manchester between 1839 and 1842 and deals with the difficulties faced by the Victorian working class. It is subtitled *A Tale of Manchester Life*. The novel begins in Manchester where we are introduced to the Bartons and the Wilsons, two working class families. John Barton is a questioner of the distribution of wealth and the relations between rich and poor. Soon his wife dies; he blames it on her grief over the disappearance of her sister Esther. Having already lost his son Tom at a young age, Barton is left to raise his daughter Mary alone and now falls into depression and begins to involve himself in the Chartist trade union movement. Chapter 1 takes place in countryside where Moss Side is now. Mary takes up work at a dressmaker's, her father having objected to her working in a factory and becomes subject to the affections of hard-working Jem Wilson and Harry Carson, son of a wealthy mill owner.

**Mary Barton** Elizabeth Cleghorn Gaskell, 2019-05-20 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards:

1. Type setting, Reformatting: The complete work has been re-designed via professional layout formatting and type setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition as opposed to other scanned printed Optical Character Recognition (OCR) reproductions.
2. Correction of imperfections: As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content.
