

Congratulations on bringing an end to the Reaper threat. Commander Shepard has become a legend, and from here you can continue to build that legend.

It has been a long journey--for Shepard and for the team here at BioWare--and like Shepard, we couldn't have done it alone. The Mass Effect trilogy began as the vision of a small team, but over the years it has grown. That growth has been fueled and shaped by the feedback and support of our player community. Thank you for joining us on this journey, and we look forward to sharing further adventures with you in the Mass Effect universe.
