enticingly low prices by individuals that have no idea what they are selling Many are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years *Honda MBX & MTX 125 & MTX 200, '83-'93* Haynes Publishing,2018-05-01 Each Haynes manual
