Introduction: Rephrase the historical context. Remember, an introduction should provide general background information and let the reader know what the essay is about.

Paragraph 1:

Introduce Evidence: Explain your topic sentence a bit more.

Evidence: Include a piece of evidence from a document that supports what you said in your topic sentence.

ANALYZE EVIDENCE: Analyze your evidence using **OUTSIDE INFORMATION**. How does what you included in your evidence explain how the United States and the Soviet Union came into conflict with each other? How do capitalism and communism relate to this? What actions did both sides take during the early years of the Cold War that increased distrust and hostility?
