Mission To Paris English Edition:

The Vincentians: A General History of the Congregation of the Mission Luigi Mezzadri, CM, José Maria Román, CM, 2009 Their mission was humble and simple to reach the poor country people who suffered from ignorance of their faith a debased clergy and poverty In response Vincent De Paul defined the vocation of his Little Company as preaching local missions for free educating the clergy and working to relieve the people's poverty Soon however this vocation was complicated by commands to minister to royal families including Louis XIV of France and the kings and queens of Poland which would embroil the Vincentians in international and ecclesiastical politics In addition they would begin dangerous foreign missions such as ministering to the Christian captives of the Barbary pirates the debased colonists and rebellious natives of Madagascar and the vendetta prone Corsicans For the first time modern readers have a thoroughly researched history based on original documents and the studies of numerous scholars past and present It portrays the Vincentians daily lives and describes their failings as well as their exalted acts of heroism It also details the social and political milieus that conditioned their lives and work It is an important down to earth side of history not often told **Catholic Missions**, 1921

The Vincentians: A General History of the Congregation of the Mission John E. Rybolt, The French Revolution nearly destroyed the Vincentians in France and those in most other countries were isolated persecuted in every degree from niggling regulations to imprisonment and martyrdom and sometimes squeezed into oblivion To these external miseries were added painful internal schisms the Italians abetted by other countries and the Holy See pushed to center the Congregation in Rome interdicts against communication with foreign superiors forced provinces in many countries to act autonomously national pressures to swear loyalty and conform to compromising regulations created splits within the community and threatened to divide the Daughters and separate them from their brothers Reduced membership and funding crippled the Vincentians efforts as they emerged from the worst of the state obstructions Nevertheless they began rebuilding and even made struggling beginnings in overseas missions notably the United States Brazil the Ottoman Empire the Middle East and China where the martyrdom of two missionaries galvanized interest in this distant and challenging mission *Christian Missions in China* Charles Sumner Estes, 1895 **The French and the Kingdom of Lesotho** David Ambrose, 1989 **The Encyclopædia of Missions** Edwin Munsell Bliss, 1891 World Christian Trends Ad30-ad2200 (hb), 2001 **The Statesman's Year-book**, 1919 **The Churches of Paris from Clovis to Charles X** S.
