Mistletoe Blessings Mistletoe Magic 5:

Poison on the early modern English stage Lisa Hopkins,Bill Angus,2023-08-29 Many early modern plays use poison most famously Hamlet where the murder of Old Hamlet showcases the range of issues poison mobilises Its orchard setting is one of a number of sinister uses of plants which comment on both the loss of horticultural knowledge resulting from the Dissolution of the Monasteries and also the many new arrivals in English gardens through travel trade and attempts at colonisation The fact that Old Hamlet was asleep reflects unease about soporifics troubling the distinction between sleep and death pouring poison into the ear smuggles in the contemporary fear of informers and it is difficult to prove This book explores poisoning in early modern plays the legal and epistemological issues it raises and the cultural work it performs which includes questions related to race religion nationality gender and humans relationship to the environment
