Mining Tsar the Life And Times Of Leslie Urquhart:

Mining Tsar Kett Howard Kennedy, 1986-01 Reflecting Imperial Overstretch and New Realities Brian O'Sullivan, 2024-07-03 This book is the first comprehensive history of the British Trade Corporation which was constituted under a Royal Charter on 21st April 1917 Its charter was meant to last for sixty years but in 1926 after a turbulent existence of only nine years it was amalgamated with the Anglo Austrian Bank and absorbed into the Anglo International Bank The corporation together with its two main subsidiaries the Levant Company and the National Bank of Turkey conducted business not only in Britain but in Russia Turkey the Middle East and in Continental Europe Although the corporation was not an agent of empire it reflected Britain's imperialistic ambitions after the First World War As a result it invested in some of the most unstable regions of the world It was also severely affected by British foreign policy which was often misjudged and at times duplicitous resulting in serious damage to British trade Within five years of its launch the British Trade Corporation needed to be refinanced The economic downturn in the early 1920s and ongoing hostilities in Eastern Europe and the Near East meant that it struggled to survive Its difficulties reflected many of those faced by Britain in general after the war and the need to come to terms with the new realities of the post war world Despite its innovative attempt to address the perceived deficiencies in Britain's financial system especially in respect of industrial finance the British Trade Corporation has been largely ignored by financial historians Based on substantial archival research this book rectifies this neglect and makes an important contribution to the financial history of interwar Britain On Arbitration Samuel Wordsworth, Marie Veeder, 2023-08-29 This volume brings together the most important articles lectures and essays of Van Vechten Johnny Veeder a towering figure in the worlds of international commercial arbitration and arbitration between States and foreign investors As noted by Judge Stephen Schwebel in his introduction to the volume Johnny Veeder was unsurpassed as an arbitrator tribunal chairman expositor analyst and historian of international arbitration The writings in this collection address a wide range of topics in the field including the historical context of international arbitration and its influence on the modern day practice the role and responsibilities of the arbitrator and the principles upholding international arbitration The included works span the length of Johnny's career drawing on his extensive learning and practical engagement They analyse the past and present while asking prescient questions about arbitration's future in a changing global context The reader of Johnny's essays and other contributions will profit by his extraordinary legal insight and by the breadth and depth of his devotion to the arbitral process The volume also gives a sense of his humanity of his warmth and wit Loved by his colleagues his students and indeed all those who came to know him this volume is in celebration of the extraordinary achievements of this remarkable jurist teacher and human being Consolidated Gold Fields in Australia Robert Porter, 2020-04-29 Consolidated Gold Fields was a major British mining house founded by Cecil Rhodes in 1892 Diversifying from its South African gold interests the company invested widely during the following century This included investments in the Western Australian gold
