

How to put the Minnesota Manual Dexterity Test into Starting Position:

Place the testing board on the table about 10 inches from the edge. There are holes in the board for disks. Insert each disk and then lift the board upwards which will allow the disks come through the holes, but remain in straight rows and columns on the table. Now the practitioner will place the testing board in front of the disks on the table. Keep the board about 1 inch from the edge of the table closest to the subject. This is will be starting position. A stop watch is needed in order to time the test.
