

An aerial photograph of a winding river flowing through a valley. The sun is setting in the background, casting a warm, golden glow over the landscape. The river is a bright, winding line through the darker, textured terrain of the valley. The sky is filled with soft, orange and yellow clouds.

Coincidence is  
God's way of  
remaining  
anonymous.

## Miracle Or Coincidence:

*Miracle Or Coincidence* Yvonne Stockhausen Bazliel, 2007-12-01 A remarkable escape from shelling during the First World War a river that appears overnight in time for a baptism and disappears the same afternoon a particularly difficult piece of surgery completed with the aid of a mysterious voice are these the work of God or merely coincidence Drawing from a range of extraordinary experiences from the author's youth and her work in Jamaica Pakistan India and Burma these appealing and thought provoking stories leave readers to make up their own minds *Miracle Or Coincidence?* Ed Ashurst, 2013 True stories about people living on the edge These are true stories not exaggerated Cowboy Stories which may or may not be the truth These stories are told to readers in the same way way they were told to the writer You be the jury It's up to you to decide whether if a true miracle has occurred or if it's simply a coincidence in the the universal realm of our existence
