Economics Authors      **Jammu & Kashmir** Bilal Ahmad Khan,2022-03-25 The book presents a comprehensive treatment of unemployment and economic problems in Jammu Kashmir Kashmir being a conflict ridden zone has far less opportunities for employment than rest of the other states With an underdeveloped industrial sector and the inability of government to create enough jobs there seems to be no immediate solution Lack of avenues to engage the youth in meaningful ways result in making miscreants out of many of them Young populations across the world are generally seen as drivers of socio economic growth but in Kashmir the youth bulge is a problem Unemployed youths destabilize the economy by being used to create mayhem by the anti social elements in the region Underdevelopment and unemployment in Jammu Kashmir is the manifestation of a mismatch between physical and human resources This exists when a large segment of the working age population does not possess the appropriate skills and knowledge to be gainfully employed In addition lackadaisical and imprudent policies pursued by subsequent governments are the major challenge A radical shift in its policies especially in the education sector is an absolute prerequisite for the birth of a capable workforce The remedy lies in revamping the education sector by crafting appropriate policies for suitable skills in line with the socio economic requirements of the society The book argues the government must think about a long term plan for unemployed youth and devise a policy to channel the youth bulge constructively      **Southern Economist** ,2011      *Indian Economy* Misra & Puri,2005      **Structural Change and Strategy of Development** Gurudas Das,2005 This Book Is Made Up Of A Collection Of Papers Painstakingly Written Over A Year All The Contributors Worked Around A Central Question In Spite Of Being Rich In Natural Resources Why Do The State In North Eastern Region Of India Reain Economiclaly Back      *Indian Journal of Economics* ,2007      Kuruksheetra ,1998      *South Asian Studies* ,2012      **Geography and Applied Cartography** ,2003 Contributed papers presented at the seminar      The Indian Economic Journal ,1989      **The Textile Industry** Textile Institute (Manchester, England).
