Jochen Peiper Justice Denied:

Jochen Peiper Justice Denied David G Williams, 2013-08-25 Jochen Peiper was a Colonel in the Waffen SS One of the wars more divisive men who was accused and convicted of more than 900 murders yet he walked free after only a few years in prison why This book covers his whole life from his humble beginnings in Berlin to his rise to full Colonel in the SS and his participation in numerous campaigns in Europe and the Eastern Front The story leads to the war crimes trial held in Dachau in 1946 the results of that trial and the use of coercion and dubious interrogation methods leading up to it Many guilty men walked free and many innocent men remained in jail Others who were clearly guilty and named were never prosecuted at all Rules were dismissed and what was supposed to be a shining example of justice became an embarrassing mess If Peiper and his men were guilty of the crimes convicted of why were the sentences never carried out Thoroughly researched using original archived documents and other material this book sheds new light on an old story SS Leibstandarte, Ace of the Waffen SS, Werner Herman Gustav Pötschke David G Williams, 2015-09-15 This book covers the life of Knights cross winner SS Sturmbannführer Werner Pötschke a little known officer of the Waffen SS This book also examines in detail the question of his personal involvement in the Malm dy massacre at the Baugnez crossroads This book is not an expose of the Nazi organisation or a concise history of the SS it will not come to the jaw dropping conclusion that Werner Pötschke was or was not a Nazi he was a committed Nazi he was an officer in the Waffen SS he was also a ferocious warrior and combat leader He was also quite possibly a mass murderer He was unusual in many ways but what is truly striking about him is just how much front line combat he was personally engaged in during WWII From the very beginning of the SS foundation unto the last month of the war this man was totally committed to the fight unquestioning and uncompromising For the men of steel there was only victory or Valhalla Mutiny On The Bounty & Pandora's Box David G Williams, 2014-04-28 Deluxe A4 Edition of this new version of the whole story of the Bounty covers everything from its disastrous crew selection the Mutiny incitement of Polynesian wars trials executions pardons kidnaps rapes enslavement to the brutal island murders Make no mistake it may have been the beginning of the Romantic Age but there was nothing romantic about the mutiny on the Bounty why did Fletcher Christian choose oblivion over common sense on that hot sunny morning so long ago Was it because far from freeing the crew from oppression he was actually mentally unstable Where exactly was Peter Heywood and why did half the crew choose certain death in an open boat rather than sail away with the mutineers Just some of the questions answered in this book for the first time the whole story the complete story including the Pandora's hunt for the mutineers and the Admiralty's revenge and the true price of Peter Heywood's freedom Jochen Peiper Patrick Agte, 1999 **The American Legion Magazine** American Legion, 1957 The American Legion monthly, 1956 **The Other Price of Hitler's War** Martin K.
