Jack Jill The Story Of Jonathan Irwin:

Jack & Jill Jonathan Irwin, 2014-10-10 Jonathan Irwin is best known as the man who following the tragic death of his son at 22 months old set up the Jack Jill Foundation so that other parents would not have to go through the hardship his family did to nurse their sick child at home He is also an outspoken critic of the state's lack of support for these families What is less well known is his intriguing background He was very involved in the Irish horse racing industry and ran Goffs bloodstock sales for many years including at the time of the kidnapping of Shergar which is detailed in the book He was also involved in the early days of Ryanair and we get a fascinating insight into his relationship with Michael O Leary who had a very different vision from Jonathan as to where the company should go He was also head of the Irish Sports Council and was instrumental in bringing the Tour de France to Ireland for the first time in 1997 The book gives full details of the struggles to establish and maintain the charity and its ongoing fund raising efforts

Taking Shergar Milton C. Toby, 2018-10-19 It was a cold and foggy February night in 1983 when a group of armed thieves crept onto Ballymany Stud near The Curragh in County Kildare Ireland to steal Shergar one of the Thoroughbred industry's most renowned stallions Bred and raced by the Aga Khan IV and trained in England by Sir Michael Stoute Shergar achieved international prominence in 1981 when he won the 202nd Epsom Derby by ten lengths the longest winning margin in the race's history The thieves demanded a hefty ransom for the safe return of one of the most valuable Thoroughbreds in the world but the ransom was never paid and Shergar's remains have never been found In **Taking Shergar** Thoroughbred Racing's Most Famous Cold Case Milton C Toby presents an engaging narrative that is as thrilling as any mystery novel The book provides new analysis of the body of evidence related to the stallion's disappearance delves into the conspiracy theories that surround the inconclusive investigation and presents a profile of the man who might be the last person able to help solve part of the mystery Toby examines the extensive cast of suspects and their alleged motives including the Irish Republican Army and their need for new weapons a French bloodstock agent who died in Central Kentucky and even the Libyan dictator Muammar al Qadhafi This riveting account of the most notorious unsolved crime in the history of horse racing will captivate serious racing fans and aficionados as well as entertain a new generation of horse racing enthusiasts
