Mercy A Novel:

Mercy Joan Silber, 2025-09-02 A rich and nuanced story beginning with a moment of fear and abandonment that will reverberate across decades and change the course of many lives by a beloved PEN Faulkner and National Book Critics Circle Award winning author In the gritty East Village of 1970s New York Ivan and his best friend Eddie a popular local bartender are dabbling in drugs following a short tour of Europe One night as Ivan and Eddie experiment with heroin things go horribly wrong In a panic Ivan rushes Eddie to a crowded local ER and believing his friend is about to die makes the awful choice to leave him there This one act of abandonment haunts Ivan his entire life He keeps this secret from his friends and later his family forever searching for mercy from a remorse that never dies Ivan s decision also ripples across time through an extended community affecting a host of other people unknowingly connected to that night Following a bold cast of characters across decades and set against the changing social and sexual mores from the 1970s onward **Mercy** is Silber s most ambitious and expansive novel yet proving once again how we are all connected in mysterious and often unknown ways **A**

Mercy Toni Morrison, 2009-08-11 A powerful tragedy distilled into a small masterpiece by the Nobel Prize winning author of *Beloved* and almost like a prelude to that story set two centuries earlier Jacob is an Anglo Dutch trader in 1680s United States when the slave trade is still in its infancy Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt Feeling rejected by her slave mother 14 year old Florens can read and write and might be useful on his farm Florens looks for love first from Lina an older servant woman at her new master s house but later from the handsome blacksmith an African never enslaved who comes riding into their lives At the novel s heart like *Beloved* it is the ambivalent disturbing story of a mother and a daughter a mother who casts off her daughter in order to save her and a daughter who may never exorcise that abandonment

Mercy (Mercy, Book 1) Rebecca Lim, 2010-10-28 An electric combination of angels mystery and romance **MERCY** is the first book in a major paranormal series **Mercy** David L. Lindsey, 1990 Houston is shattered by a shock wave of unbelievably vicious sex killings And this time the pattern is unique way out of line with traditional violent crime psychology In Detective Carmen Palma s experience a psychopath always chooses anonymous targets But the Houston victims know and trust their killer They meet willingly in hotel rooms even in their homes They don t fight when the leather cuffs are fastened to their wrists and ankles They don t even struggle when the first blows fall Palma s first lightning instinct is that the victims expected their torture They were practicing masochists apart of a secret clique that includes some of the city s most prominent women They helped choreograph their own punishments every blow They just didn t expect to die

Mercy Lara Santoro, 2007 With a swift compressed narrative style and compassionate vision Santoro offers an indelible portrait of Africa in the throes of an epidemic Smart suspenseful and ultimately heart wrenching this novel is a powerful tale of moral outrage and personal transformation **Mercy** Daniel Palmer, Michael Palmer, 2016-05-17 After a bad accident Julie s fiancée survives as a quadriplegic who just wants to die Without any help to be had he passes away from

an unexpected heart attack An autopsy reveals that Sam died of an unusual heart defect one seen only in those under extreme stress In fact it appears that Sam had been literally scared to death As Julie investigates similar cases threats begin to confront her The more cases Julie discovers the more the threats escalate until she finds herself accused of a mercy killing of her own
