

### Metal Jam #3

Metal Jam #2 features some more "question/answer" style soloing, but this time the licks are two bars each instead of one, as in "Slow-Note Terror." The song structure for "Mistakes?" is A/B/A/B A.A./fadeout, with solos over the B sections. Pay attention to the key changes! Again, just repeat my licks at first, then after you've got that down, throw in different variations. In the second solo, the sequence is reversed so that you take the "questions" and I respond with the "answers." So tear it up! But remember—no mistakes, or the guitar police may be knocking at your door!
