about immigration and identity in crisis by playwright Carla Grauls winner of the Nick Darke Award 2013 Riffs Rikky Rooksby, 2002-10 Guitarriffs Archaeology of the Unconscious Alessandra Aloisi, Fabio Camilletti, 2019-07-10 In reconstructing the birth and development of the notion of unconscious historians of ideas have heavily relied on the Freudian concept of Unbewussten retroactively projecting the psychoanalytic unconscious over a constellation of diverse cultural experiences taking place in the eighteenth and nineteenth centuries between France and Germany Archaeology of the Unconscious aims to challenge this perspective by adopting an unusual and thought provoking viewpoint as the one offered by the Italian case from the 1770s to the immediate aftermath of WWI when Italo Svevo s La coscienza di Zeno provides Italy with the first example of a psychoanalytic novel Italy s vibrant culture of the long nineteenth century characterised by the sedimentation circulation intersection and synergy of different cultural philosophical and literary traditions proves itself to be a privileged object of inquiry for an archaeological study of the unconscious a study whose object is not the alleged origin of a pre made theoretical construct but rather the stratifications by which that specific construct was assembled In line with Michel Foucault's Arch ologie du savoir 1969 this volume will analyze the formation and the circulation across different authors and texts of a network of ideas and discourses on interconnected themes including dreams memory recollection desire imagination fantasy madness creativity inspiration magnetism and somnambulism Alongside questioning pre given narratives of the history of the unconscious this book will employ the Italian difference as a powerful perspective from whence to address the undeveloped potentialities of the pre Freudian unconscious beyond uniquely psychoanalytical Shakespeare and Young Adult Literature Victor Malo-Juvera, Paula Greathouse, Brooke Eisenbach, 2021-03-05 viewpoints The influence of Shakespeare on American culture is unequivocal And despite its youth young adult literature has grown into a literary force majeure Considering the widespread popularity of both Shakespeare and young adult literature their pairing can offer teachers and students a wide array of instructional possibilities Our collection offers secondary 6 12 educators engaging ideas and approaches for pairing Shakespeare's most frequently taught plays alongside young adult novels which often provide a unique examination of a topic that teaching a single text could not afford The pairings offered in each chapter allow for comparisons in some cases for extensions in others and for critique in some Adriano Exists Lisa Sa,2019-06 From working out of unheated basements of independent record labels to fetching coffee for pervy untalented doughnut loving tech nerds in their forties Alexis Brunetti has done every music internship out there Yet despite her efforts nobody is hiring Or at least nobody is hiring her That is until she accidentally crosses paths with multi platinum award winning Italian singer Paolo Petrinelli and his band of colourful characters Or perhaps more specifically his rhythm guitarist and pro feminist Riccardo D Angelo Following this encounter Alexis finds herself propelled into a battle against sexism drugs tantrum prone musicians and the abominable chaos that ensues the moment you have the luck of entering the music business The Fans Have Their Say #5 Metallica: Exit, Light, Enter, Night... I grew up in Plymouth in the UK listening to KISS Rainbow Magnum Black Sabbath AC DC Queen Saxon Judas Priest Mot rhead and the like usually on a large ghetto blaster in our local park or at our nearest railway station And then it all changed when my friend bought the first album by a new American band and that band was Metallica Neither of us had heard anything like it before nor had most of the World The music had the pure raw energy and speed of punk added to the grinding riffs of heavy metal The songs were unlike anything before and it wasn t long until the music was referred to in Kerrang and Sounds as Thrash Metal and Metallica were the leaders of the new movement head and shoulders above the rest It was a few later before I saw them live at Donington Monsters of Rock Festival in 1985 where they were squeezed onto a line up between the classic British Prog Rock of Magnum and LAs new Bad Boys Ratt I didn t pay that much attention to them at the time as I was otherwise occupied on a sunny day in the Midlands A year later though having listened to both Ride the Lightning and Master of Puppets I headed to London to see them at Hammersmith Odeon as it was at the time on their final UK date of the Damage Inc tour with Cliff Burton who was killed in a coach accident in Sweden five days later It was after catching them at this show that my love of the band grew I saw all the other members of the Big Four Anthrax Slayer and Megadeth and many more thrash bands including Exodus Flotsam and Jetsam Kreator Overkill Testament Metal Church but none could match the talent and excitement of a new Metallica album or show I have had the pleasure of seeing Metallica at Donington five times both Monsters of Rock and Download Festivlas four times at Reading Festival two of their appearances at Sonisphere in the UK the afore mentioned Hammersmith Odeon show and once at Wembley Stadium the home of football and they never fail to entertain if anything the last time I saw them at Reading was probably one of the best times I ve seen them So now we come to this book covering my thoughts on one of the greatest bands ever along with the thoughts memories and recollections from Metallica fans from all over the world We re off to never never land Enter Night Mick Wall, 2017 The Resistance Armond White.1995 Enter night Mick Wall, Marta Koch (tłumaczka), 2011
