Education Studies John Sharp,Stephen Ward,Les Hankin,2006 Education Studies is an increasingly popular undergraduate degree course investigating the key issues in education both past and present and developing students critical thinking This book whose contributors include key names and institutions in Education Studies is completely up to date and the first to directly address these issues For each topic an overview is followed by discussion of a key topic from a variety of perspectives including Research Summary and Pause for Thought boxes to promote reflection and analysis **The School Science Review** ,2005 **The Children's Buyer's Guide** ,2006 **Primary History** ,2005 **The Complete Guide to Becoming an English Teacher** Stephen Clarke,Paul Dickinson,Jo Westbrook,2004-03-22 I could not help but admire the breadth and scope of this text This is a book I would recommend to all no matter what route they take to train as a teacher of English It is aimed at secondary teachers but would be equally useful for those preparing to teach in further education Not only does it provide concise and balanced accounts of key pedagogic issues it also includes a range of interesting and engaging lesson suggestions This book does cover a lot of ground with excellent chapters on planning assessment teaching reading and teaching poetry This is a text that should accompany every student teacher of English and find its way on to the shelf of all practising teachers This book excited me It is written in a style that makes you want to try out activities and take up challenges This book will encourage the student teacher to embrace the subject of English along with its associated values and debates ESCalate Read the full review as posted on the ESCalate website the Education Subject Centre for the Higher Education Academy If I was training to teach English today this is the book I would want an extraordinarily professional handbook of good practice Compiled by a team of university lecturers it admirably demonstrates the way theory and practice can combine to illuminate the carried demands of being and English Teacher today Geoff Barton Times Educational Supplement Teacher Magazine I was most impressed Anyone following the modules as they are would learn a huge amount and benefit so much from them Donna Bryant Deputy Head Camborne School and Community College Cornwall The activities were both challenging and rewarding These would be useful and would promote self reflection and the notions of personal progression and goal setting for the student Alan Jones Assistant Headteacher Simon Langton Boys School Canterbury This is a complete guide to how to become a successful teacher of English in secondary school The book enables readers to design a tailor made programme to suit their individual needs as a student teacher Either the learner or the tutor can select or combine units and activities and there is no assumption of prior knowledge This book is based on innovative teaching material developed by four institutions of higher education which has been used to develop student teachers Based on proven teaching success and the authors own experiences of teaching English in secondary schools the

book's key features include full coverage of the Revised Standards for Qualified Teacher Status including creative approaches to delivering the framework for teaching English years 7, 8 and 9, the cultural, historical, social and political models which support the English teaching curriculum, English teaching for the development of an on-going working pedagogy recognizing the need for dialogue and interaction with both theory and practice, Inclusion, Equal Opportunities, Assessment and ICT included throughout with recognition of the importance of digital literacies. This is an essential book for English student teachers on flexible graduate registered training schemes and traditional PGCE programmes. It is an essential resource guide for their tutors for practising English teachers who want to update their skills and for those doing Continuing Professional Development, Diplomas, Masters Level work or PhDs. *The Times Index*, 2009.
