Independently 5e describes techniques to help students succeed in formal education It helps with learning tasks such as
writing assignments reading textbooks making notes and concentrating when studying as well as offering a range of
suggestions as to how students can meet the requirements of their teachers and courses It is also designed to help students
discover their own learning goals and how they learn best The text rests on the premise that it is possible for a person to
change the way they approach their learning It is directed to the individual student because it is the individual who must
write the essays and reports pass the exams and organise themselves in order to be successful in the tertiary education
system As well as offering realistic and well tested study strategies this Guide focuses on your reasons for study as you
balance the demands of study with the rest of your life It will help you clarify your particular strengths as a learner and
develop a repertoire of independent lifelong learning skills The comprehensive range of study techniques Recording for
